## **1. Introduction**

It is our absolute pleasure to welcome you into our family at the Connick School of Irish Dance. Our team is thrilled to see so many familiar faces return to the studio and we are so excited to see some new faces join our community. We have created this one-stop handbook to hopefully shed some light on how things will run throughout the year as well as answer a lot of questions you may have before the year begins. While we would love you to take the time to read this information carefully and keep your handbook in a safe place to refer to as you need, don't forget that our friendly staff are always here to help and will happily answer any questions you may have. Nothing is too big or too small, we promise! 😊

## **2 . Studio Manifesto**

It is important to us at the Connick School that all members of our team share our vision, our purpose and the philosophy that encompasses everything we do both in and outside of our classes. This is a vision that is shared and demonstrated by the directors, teachers and staff members at our studio and it is the driving force behind every interaction with our students and their families.

The Connick School is a place where kids of all ages, shapes, and sizes learn the traditional art form of Irish Dance and performance. This is a studio where the teachers are passionate about uplifting each and every child to their greatest potential inside and outside of our studio walls. Our community of teachers, students, and families help create a positive and happy experience for everyone. We strive to nurture and develop talent, celebrate the achievements of all students and inspire a love and appreciation of Irish Dance. We are committed to providing a safe and positive environment in which all students can feel empowered, comfortable and free to express themselves. We are committed to not only training our dancers to be the best on the stage, but we strive for them to be their best self-off the stage.

### Connick Core Values

Open and honest relationships with communication trusting the goal is to help every dancer reach their potential.

Navigate students to learn life skills through dance.

Nourish each child's passion for dance creating an enthusiasm to learn and try new things.

Inspire a drive in both teachers and students to not accept mediocrity.

Celebrate achievements of all our students big and small.

Knowledge of how to train to be the best dancer, a great athlete, and a successful person.

### 3. Registration

Before lacing up those dance shoes, it is important that all students and/or parents – whether returning or new - fill out and sign your registration paperwork so we can ensure we have the most up-to-date contact details for you. This information includes your registration form, media release form (so we can show off photos and videos of our amazing dancers in and around the studios), and public liability / Insurance contract. **As well as the COVID-19 procedures.**

Our new beginner registration offers not only a free Connick School t-shirt, but it also ensures that in the event of classes reaching capacity before Term/Semester kicks off, you will be guaranteed a place in the class/es of your choice.

Our annual registration fee is \$60 per student/\$180 per family max and must be paid in full prior to the commencement of classes. Make sure you get your payment in via Dance Studio Pro as failure to pay your registration fee in time may result in losing your place in the class.

### **4. Communication**

It is our promise to respond to all questions within 2 standard business days and we will never leave a question unanswered. Our friendly staff can be contacted by phone at 704-703-2441 between 11am-3pm.

For convenience, our primary means of communication is via email. You will receive regular newsletters and important information via email so please ensure you have provided the studio with an up-to-date email address that is regularly checked. We are of course happy to include multiple email addresses per family if you would like your correspondence sent to numerous recipients. Don't forget to add our email address [info@connickschool.com](mailto:info@connickschool.com) to your contacts so we don't end up in the dreaded Spam folder!

We are also proud to provide you information round-the-clock via our very own Dance Studio app. You can download the Connick School via Google Play or Apple's App Store. Just follow the prompts to install our app on your mobile device and you'll receive alerts as they happen.

In the infrequent case of urgent information (for example, unexpected class cancellations or performance changes), we will send an SMS and/or telephone to all families. So, for this reason, please make sure the mobile phone number you have provided to the studio is correct and up-to-date.

Facebook is a great way for us to keep in touch with a large number of people at once, so we encourage all families to join our closed Connick School Parent's Facebook group. This group can be found at <https://www.facebook.com/groups/257698491235313/> and will be monitored to ensure all content is appropriate and relevant.

We are always happy to chat in more detail about communications you may receive from the studio, so if you need any clarification please don't hesitate to call us at 704-703-2441 and chat with one of our helpful team members.

As always we are open to feedback, so if any of the requirements outlined below are unclear or concerning, please give us a call to discuss further. Following a formal meeting, we do reserve the right to dismiss or take disciplinary action on any students or parents who breach our studio's code of conduct.

Families who do not comply with their fee or payment obligations may be charged a late fee, and/or excluded from performances/competitions. External debt collection may occur when fees remain overdue and this will be at the expense of the client.

No classes (including private lessons) or teachers are to be disturbed unless it is an emergency. Parents are not to approach teachers or students during class. All parents must wait in the waiting areas or outside of the studios until classes have been dismissed. **\*Please note that during the COVID-19 pandemic all of our waiting areas are closed\***

We are unable to take responsibility for our students before or after their scheduled classes and it is the responsibility of the parent to ensure their child is picked up and dropped off on time. In the case of an emergency or unavoidable delay, please contact the studio immediately to inform us of the situation so we can keep your child calm and safe until they can be picked up.

Any questions or complaints must go through our email [info@connickschool.com](mailto:info@connickschool.com) or phone 704-703-2441 – parents and students are not permitted to contact the Connick School teachers via phone, in person, or via email / social networking with studio issues unless it has been broached with the director first. Personal meetings with the studio director can happily be arranged via email.

In the rare case of a parent or student showing disrespect or defamation to any parent, staff member or student, a meeting will be called immediately and dismissal may be considered at the discretion of the director. Physical, mental, emotional or cyber bullying by parents, staff or students will not be tolerated and may result in dismissal from the studio.

The Connick School takes no responsibility for any stolen or misplaced property on the studio premises and we encourage our families to avoid bringing valuable items into the studio where possible.

Connick School management reserves the right to change teachers or timetabling when necessary at any time throughout the year.

Choreography, costuming and studio policies remain the intellectual property of Connick School and may not be reproduced or sold by any students, parents or staff without permission of the director.

## **7. Safety**

With the safety of our families a number one priority, the Connick School is very serious about upholding Child Protection laws and policies within the studio as well as at public performances and in the online arena (website and social media).

As part of your registration, you will have read and signed a media waiver allowing us to proudly use images and video footage of your student for advertising and promotional purposes. Should you have any concerns whatsoever with signing this declaration, please contact us and we will happily assist you.

All of our teachers and staff members have undergone official training with SafeSport allowing them to work with children.

The director and staff at the Connick School are educated in the negative impact of inappropriate music and costume selection when it comes to performing dance routines and are wholeheartedly committed to ensuring children in all of our dance routines are not subjected to any inappropriate songs or costuming. We recognise that songs with sexist, explicit, violent, racist, homophobic or criminal content may influence our dancers and/or audience and will strive to avoid using such music.

We enforce a nut-free policy at the studio to ensure the safety of any students or parents with allergies to nuts or nut products and encourage gluten and dairy free foods when involved in fundraisers or studio events.

The Connick School takes no responsibility for any stolen or misplaced property on the studio premises and we encourage our families to avoid bringing valuable items into the studio.

You will find within our enrollment paperwork a public liability / insurance statement. Please read this document carefully and sign it prior to the commencement of classes so you fully understand the rights and responsibilities of your family and our studio. Forms will be signed electronically via Dance Studio Pro.

## 11. Uniform

At the Connick School we believe that wearing studio uniforms give students a sense of belonging to our family as well as creating an identity for our studio in the greater community. Our uniforms also:

- Encourage discipline
- Help students resist peer pressure to buy stylish clothes for class
- Help identify non-students in the studio
- Diminish economic and social barriers between students
- Increase a sense of belonging and school pride
- Improve attendance

Uniforms can be purchased when our school store opens. They will be ordered online through a portal which will be open three times throughout the year. More information to come from the Parents Association.

**Please ensure all parts of your child’s uniform are clearly labelled - individual shoes, socks, water bottles...you’ll be amazed at the amount of lost property we generate!**

**Hair should be neat/tidy and pulled off of dancer’s face.**

You'll be required to input your bank details and your payments will be auto-drafted on the 15<sup>th</sup> of each month.

Refunds will not be issued for missed classes due to cancellation or public holiday – where possible, we will endeavour to arrange make-up lessons for classes cancelled by the Connick School or will offer an alternative class.

### **13. Attendance**

Your child's attendance in class is very important to their peers and our teaching staff. As a member of the team, it is a commitment for you to ensure your child attends their classes on time each week and attends all lessons planned for them. Not only do absences have an impact on the routines we create/their success at competitions, it also impacts the social and confidence-building principals we work hard to foster in each age group.

If you know ahead of time that your child will be absent due to vacations, commitments or school trips, please let us know ahead of time so the class impact is minimal. If your child is too unwell to attend class, we ask that you inform us as soon as possible so that we can let the teachers know and preparations can be made to catch up on any missed work.

You can schedule a make-up class through [info@connickschool.com](mailto:info@connickschool.com) to see if there is a way we can accommodate a missed class. The Connick School will make every endeavour to schedule a catch-up class in the unlikely event that the school needs to cancel a lesson. Make-up classes must be scheduled during the current semester and will not roll over to future semesters.

## **16. Our Teachers / Faculty**

Finally, it's our pleasure to introduce our faculty for 2020! Our enthusiastic, passionate and dedicated teachers are thrilled to be a part of your family's dance journey this year. We are truly looking forward to growing together to mold this generation of skilled, confident, genuine and unique performers.

## Stacie Greiner A.D.C.R.G.- Director

My name is Stacie, and I started Irish dancing at the age of 11. My tap dance teacher had quit, and my mother was trying to find a similar activity for me to connect with. Little did she and I know that the ad in the newspaper (I know I'm dating myself) would change our lives! Since I stepped into my first class I have yet to stop moving my feet and humming the melodies of the traditional tunes.

I started dancing under the Sheahan-Gormley School of Irish Dance where my teacher nourished my love of the art form and sport. At the age of 14, I began my studies at the Quinlan Academy, which later became the O'Grady Quinlan Academy of Irish Dance. From there, I went on to compete regionally, nationally, and internationally. I passed the TCRG (teaching) exam in 2011 and the ADCRG (judging) exam in 2019.

I am a proud Pennsylvania State University alumnus, GO LIONS! It is there that I received my bachelor's degree in Kinesiology. I have also attained my Certification in Applied Functional Science from the Gray Institute and I am certified in Rock Tape FMT Performance Kinesiology Taping and FMT Blades Advanced IASTM. Throughout my own dance career, I saw a need for dancers to cross train and learn how to move properly for optimal results. I love to incorporate this knowledge into our core curriculum.

I am so thankful for everything Irish dance has brought me! I cherish the memories I have made with my mom, friends, teachers, and dancers around the world. I have appreciated all the life lessons the dance world continues to teach me, and I am beyond grateful for the opportunity I have to gift the joy of Irish Dance to others. I can only hope that I make an impact on their lives as much as Irish Dance has made an impact on mine. I would like to say a quick thank you to my amazing Connick Crew, you're simply the BEST!

## Sandra Connick A.D.C.R.G.- Founder

My name is Sandra Connick and I grew up in Cork, Ireland. I started dancing with my mother at age 4 and later attended the Hasson School in Cork. I'm delighted to say that throughout the years my students have had success both nationally and internationally in solos as well as teams. It's been a pleasure to teach so many children over the years and watch them grow into adults. I'm thrilled to say that Irish dancing has given me the opportunity to create friendships all across the worlds.

Sandra is a fully accredited Irish dance teacher and adjudicator, registered with An Coimisiun Le Rince

Gaelacha, in Dublin, Ireland, and is currently serving as its Treasurer.

She actively participates in the Southern Region branch of the Irish Dancing Teachers Association of North America (IDTANA). Previously, Sandra served as Vice-President and Treasurer for the national body of the IDTANA as well as the Southern Region. Outside of the dance studio, Sandra's skills and talents as a teacher have been utilized by the Mecklenburg County School District in programs designed to incorporate cultural enrichment into middle school curriculum. She has also worked extensively with the Diocese of Charlotte Catholic Schools and as a lecturer on Irish Dance at University of North Carolina Charlotte.

## Michele Dawe

Michele Dawe started dancing at age five, alongside her two older sisters, in Boston, Massachusetts. Many family weekends were spent traveling to outdoor feiseanna and on road trips throughout New England, of which she has many fond memories. She was also a great supporter of her niece years later when she started Irish dancing. Michele, with her husband and two daughters, moved to North Carolina and joined Rince na h'Eireann in February, 1999.

As a family, they traveled, and the girls competed and medaled regionally, nationally and internationally, until they went off to college. Early on, Michele became involved in Rince na h'Eireann, assisting Sandra Connick with shows, classes, camps, and feis registration. She is very excited to be a member of the Connick team!

## Pamela Pierce

My name is Pamela Pierce McGuinness. I grew up in Dun Laoghaire, County Dublin, Ireland. I started dancing, like most Irish children, at the young age of seven, but really found my stride at age 11 after meeting, and subsequently working with, Kevin Massey, who turned Irish dancing into my favorite activity! Kevin was an amazing

teacher and dancer and opened up doors for all his students.

We had dancers like Michal Flatley at our classes every summer for camps, and were involved with Comhaltas Ceoltoiri Eireann, through which we performed in shows in Dublin and overseas.

Whether through performance or competition (I competed regionally and nationally), I continued dancing all through my school days, and even when I started working. I could not imagine my life without it. After many years of being married to a U.S. military man, and traveling and living in many places, my husband retired, and we settled in North Carolina. I met Sandra Connick, started working with her in 1996, and have taught at RNE and the Connick School since then. I consider myself a patient teacher and take great pride in teaching every child to believe in his and herself. Hard shoe rhythm and timing are what I love, and in which I like to give every dancer a great foundation.

## Allie Pacini

My name is Allie Pacini and I grew up dancing in Southern California with my two younger sisters.

College brought me to North Carolina, where I was fortunate to find the Connick School and continue to grow as a dancer and teacher these last 9 (ish) years.

Since returning to competition post-college, I've learned so much about the importance of combining the traditional techniques of Irish dance with functional, 3-dimensional

movement. Until recently, this was a missing piece for me as a dancer, and so passing on that knowledge to the next generation is a priority of mine in the studio. Working with the needs of each individual student is a challenge I've enjoyed, and I so look forward to watching current and future dancers grow in their love for Irish dance in a healthy, safe and fun environment. I can't wait to see everyone in the studio and am excited for a great 2020-2021 dance year!

## Grace Reif

My name is Grace Reif and I was born and raised in Madison, Wisconsin. Like most young girls with excess energy, I was put in ballet and tap classes at age three. At eight, I saw Irish dancing at a show and fell head over heels in love. The way the music, rhythms, and movements came together captivated me, and throughout my career I've been lucky enough to share that love all around the world through touring and competition. However, the most fulfilling leg of this journey has been teaching new dancers the magic of Irish dance.

In 2017, my family relocated to Raleigh, and I joined them full time after graduating college in 2019.

Since then, I've worked closely with dancers on how to break down their steps and be more cognizant during their time on stage. I also create videos on Instagram and YouTube that provide a fun, entertaining review of difficult dance moves. I'm thrilled to be a part of the Connick crew and am so excited for what's to come!
